### **MEMBERS' CODE OF CONDUCT**

The Members' Code of Conduct is intended to promote high standards of behaviour amongst the elected and co-opted members of the council.

The Code sets out the standard of service that is expected from Councillors and co-opted members of the Council. In particular, Councillors and co-opted members should act in an open and transparent manner and should not do anything which would prejudice the reputation of the Council.

It is important Councillors and co-opted members undertake their position as regards standards of conduct, and if in any doubt should seek guidance. This is because in some circumstances a breach of the Code could be a criminal offence and because any person could make a complaint to the Council if they believe a Councillor or co-opted member has breached the Code.

This Code is adopted in accordance with Section 27(2) of the Localism Act 2011.

### **UNDERLYING PRINCIPLES**

The Code is underpinned by the following principles of public life which should be borne in mind when interpreting the meaning of the Code:

- i. **Selflessness** Holders of public office should act solely in terms of the public interest. They should not do so in order to gain financial or other benefits for themselves, their family or their friends.
- ii. **Integrity** Holders of public office should not place themselves under any financial or other obligation to outside individuals or organisations that might seek to influence them in the performance of their official duties.
- iii. **Objectivity** In carrying out public business, including making public appointments, awarding contracts, or recommending individuals for rewards and benefits, holders of public office should make choices on merit.
- iv. **Accountability** Holders of public office are accountable for their decisions and actions to the public and must submit themselves to whatever scrutiny is appropriate to their office.
- v. **Openness** Holders of public office should be as open as possible about all the decisions and actions that they take. They should give reasons for their decisions and restrict information only when the wider public interest clearly demands.
- vi. **Honesty** Holders of public office have a duty to declare any private interests relating to their public duties and to take steps to resolve any conflicts arising in a way that protects the public interest.

- vii. **Leadership** Holders of public office should promote and support these principles by leadership and example.

the body transacting the business as to impede the transaction of the business; or

- (b) without the dispensation the representation of different political groups on the body transacting any particular business would be so upset as to alter the likely outcome of any vote relating to the business; or

- (d) if it is an authority to which Part 1A of the Local Government Act 2000 applies and is operating executive arrangements, considers that without the dispensation each member of the authority's executive would be prohibited by section 31(4) of the Act from participating in any particular business to be transacted by the authority's executive, or
