## 1. BACKGROUND

1.1 The County Council's Constitution states that the General Purposes Committee has

- Authority to nominate representatives to Outside Bodies other than the Cambridgeshire and Peterborough Fire Authority, the County Councils' Network Council and the Local Government Association.
- Authority to determine the Council's involvement in and representation on County Advisory Groups. The Committee may add to, delete or vary any of these advisory groups, or change their composition or terms of reference.

1.2 At its meeting on 20 May 2014, General Purposes Committee:

- reviewed and agreed the appointments to outside bodies as detailed in Appendix 1.
- agreed appointments to the Member Development Panel, and reviewed and referred appointments to the other internal advisory groups and panels, as detailed in Appendix 2, to the relevant service committee.
- reviewed and agreed appointments, and referred appointments to the other partnership liaison and advisory groups, as detailed in Appendix 3, to the relevant service committee.

## 2. APPOINTMENTS

2.1 The outside bodies where appointments are required are set out in **Appendix 1** to this report. It is proposed that the Committee should review whether the Council should continue to be represented on any of these bodies. The Committee's attention is drawn to the following:

- a request from Councillor Mason to step down as the Council's representative on the Conservators of the River Cam;
- two vacancies on Ditchburn Place/Stanton House Management Committee, (shall we inform the relevant contact that we only need one place?);
- one vacancy on Evelyn Boake Charitable Trust (Cherry Trees Club), (shall we inform the relevant contact that we only need one place?);
- one vacancy on Relate Cambridge, (shall we inform the relevant contact that we no longer wish to be represented?);
- one vacancy on St Columba Centre Management Committee, (shall we inform the relevant contact that we no longer wish to be represented?);

2.2 The internal advisory groups and panels where appointments are required are set out in **Appendix 2** to this report. It is proposed that the Committee should review whether the Council should continue to be represented on any of these bodies, agree appointments to the Member Development Panel, and refer the remaining appointments to the relevant policy and service committee.

Notification has been received recently that the Council’s Diversity Group should be added to this list. There are currently two vacancies on this Group for a UKIP and Independent Member representatives.

2.3 The partnership liaison and advisory groups where appointments are required are set out in Appendix 3 to this report. It is proposed that the Committee should review whether the Council should continue to be represented on any of these bodies, agree appointments where appropriate, and refer the remaining appointments to the relevant policy and service committee. The Committee needs to appoint a representative to the Fenland Crime and Reduction Partnership. The Conservative Group has nominated Councillor Samantha Hoy. The Economy and Environment Committee have asked for the Eastern Agri-Tech Programme Delivery Board to be transferred from outside bodies to partnership liaison and advisory groups and that this should be an appointment for the Economy and Environment Committee to make.
