

Cambridgeshire County Council Record of Executive Decision

Decision taken by Traffic Manager in consultation with the local member

Title of decision	TRAFFIC REGULATION ORDER OBJECTIONS ASSOCIATED WITH WASHINGLEY ROAD, HUNTINGDON
Date decision taken	4 th April 2020
Decision maker	Sonia Hansen – Traffic Manager and Councillor Tom Sanderson
Is this a key decision?	NO
Is the decision subject to call in?	NO
Details of decision taken	<p>Having reviewed all the details of the proposed Traffic Regulation Order and taking in to account the consultation process and comments received, the Local Member and the Traffic Manager determined the objection and confirmed the proposed scheme should be implemented.</p> <p>The objector will be informed of the outcome accordingly.</p>
Reasons for taking decision	<p>The report was presented to the meeting to allow the officer to explain the proposals.</p> <p>It was noted that:</p> <p>Only one objection had been received which related to employees being compromised as there is nowhere else to park. The objector suggested reducing the length of the proposed restrictions.</p> <p>The applicants have confirmed that restrictions are required on the top end of Washingley Road as there is no forward visibility around the bend and there is insufficient room to pass if the parking remains. This concern is supported by a swept path analysis. On the lower end there is adequate forward visibility and opportunities to pass utilising Percy Road and road between the Audi and Volkswagen garages.</p> <p>The objector has a sizeable car park on Vantage Park.</p> <p>Companies could consider green travel plans aimed at increasing travel choices and decreasing reliance on the private car to reduce parking congestion.</p> <p>Whilst not guaranteed it is hoped that there may be less demand for on-street parking in general following the Covid 19 lock down as new working patterns evolve.</p>
