Previously Reported Exceptions

As previously reported the capital programme figures include a revised Capital Programme Variations target, which effectively reduces the programme budget. This budget is forecast to be fully achieved at this stage, but as forecast underspends start to be reported, these will be netted off against the forecast outturn for the variation budget, resulting in a forecast balanced budget up until the point when slippage exceeds the variation budget.

Capital Funding

115,658	TOTAL	115,374	115,374	-

Previously Reported Exceptions

As previously reported, the capital programme budget incorporates the following funding adjustments:

- £1.1m funding for schemes carried-forward from 2016/17.
- A reduction of £1.3m in respect of Housing Scheme funding which was brought forward from 2017/18 to fund expenditure in 2016/17.
- £133k increase in the Capital Variation budget.

Commercial and Investment Committee was asked to approve the carry forward of funding from 2016/17 into 2017/18 for the following schemes:

Scheme	£000	Notes
County Farms Viability	121	Carry forward £121k re Bettys Nose & Whitehall farm shop.
OtherCommitted Projects - K2	20	Roll forward balance of K2 funding (£20k) to fund continuing work on CCC implementation
Soham Solar Farm	775	Final network and consruction costs of £315k and a retention payment of £460k are due in 17/18. A scheme underspend of £340k is forecast.
Office Rationalisation	200	Ongoing work on office rationalisation, moves and co-location projects - including Sawtry, Hill Rise, Shire Hall, Hereward Hall, Buttsgrrove, Scott House/Stanton House and Meadows closure.

The Capital Programme Variations target included in the Business Plan was updated based on 2016/17 slippage and to allow for other funding sources in addition to borrowing. The Capital Programme variation target reduces the overall capital budget, resulting in a reduced funding requirement.

The Housing Scheme budgets reflect the proposals included in the Business Plan 2017/18. The CHIC financial model is currently under review and any changes will be reported when further information becomes available.
