Is the decision subject to call in?	No
Details of decision taken	<p>Having reviewed all the details of the proposed Traffic Regulation Order and taking in to account the consultation process and comments received, the Local Member and Traffic Manager determined the objections and confirmed the proposed scheme should be implemented as advertised as set out in Appendix 2 in the report.</p> <p>The objectors will be informed of the outcome accordingly.</p>
Reasons for taking decision	<p>The report was presented at the meeting to allow the officer to explain the proposals.</p> <p>It was noted that:</p> <ul style="list-style-type: none"> • The proposed restrictions will keep the junction of Green End and Wright's Close clear to give large vehicles such as buses space to turn around. • Objectors comments regarding whether smaller buses could be used on this route or the bus route altered to avoid Green End were noted however the option of re-routing to avoid Green End was explored by the bus operator in the past but changes not made at the request of local residents. If buses werer re-routed to avoid Green End residents living in this area would have to make a journey of approximately half a mile some of which is uphill and does not have footways. Smaller buses would not be feasible as this bus service serves a number of destinations.
