## **1. BACKGROUND**

- 1.1 To present to the Committee the financial position as at the end of March 2014. This is the month-end report for March, not the final outturn report which will be presented to the Committee at its next meeting in July.

## **2. MAIN ISSUES**

- 2.1 This report is for information only, as clearly we are now beyond the end of the financial year and as such, no decisions can be made to impact on the outturn position.
- 2.2 The Finance and Performance Report attached as **Appendix 1** to this report, is the abbreviated Corporate Services and LGSS Cambridge Office Finance and Performance for March 2014. It will be noted that this is the report for the whole Corporate / LGSS Service, so not all of the budgets contained within it are the responsibility of this Committee. A subsequent report on the agenda will highlight the budgets and performance indicators that this Committee is responsible for.
- 2.3 Moving forward, the Committee will receive the Corporate Services and LGSS Cambridge Office Finance and Performance Report at each of its meetings, where it will be asked to both comment on the report and make recommendations, as required, to ensure that the budgets and performance indicators for which the Committee has responsibility remain on target.
- 2.4 Please note that as an abbreviated report, this report only contains finance information. Performance information will be included in the final outturn report for 2013-14 and within each report for 2014-15.
