Deprivation		X	

For each of the above characteristics where there is a positive, negative and / or neutral impact, please provide details, including evidence for this view. Describe the actions that will be taken to mitigate any negative impacts and how the actions are to be recorded and monitored. Describe any issues that may need to be addressed or opportunities that may arise.

<b>Positive Impact</b>
<b>Negative Impact</b>
<b>Neutral Impact</b>
It is not felt that any of the protected characteristics shown will be specifically impacted by the changes being recommended in Cambridge City or Huntingdonshire.
The purpose of the recommendations is to facilitate the availability of on-street space and to support local business and community facilities. In some communities, requests have been made for extended residents' parking and this will be considered as part of a wider review on parking.
<b>Issues or Opportunities that may need to be addressed</b>
Consideration has been given to the impact that the introduction of a Sunday charge may have on local churches in Cambridge City. No responses were received from Churches during the informal consultation to indicate that this would be an issue of concern for them. Currently within Cambridge City restrictions already apply on various days of religious significance to various faiths.

## Community Cohesion

If it is relevant to your area you should also consider the impact on community cohesion.
