1.0 INTRODUCTION

- 1.1 At the committee meeting on 31 January 2005 it was agreed that a brief summary of all the planning applications that have been determined by the Head of Strategic Planning under delegated powers would be provided.
- 1.2 The Scheme of Delegation set out in Part 3D of the Council's Constitution describes the extent and nature of the authority delegated to the Executive Director: Economy, Transport and Environment to undertake functions on behalf of Cambridgeshire County Council. The delegations are made either by the Full Council or one of its committees. The Executive Director, has considered it necessary and expedient, to authorise the Head of Strategic Planning (now Head of Growth and Economy) to undertake functions on his behalf. These authorisations are included within a written schedule of authorisation published on the Council's website which is available at the following link:
