## **1.0 BACKGROUND**

- 1.1 A Finance & Performance Report for the Public Health Directorate (PH) is produced monthly and the most recent available report is presented to the Committee when it meets.
- 1.2 The report is presented to provide the Committee with the opportunity to comment on the financial and performance position of the services for which the Committee has responsibility.

## **2.0 MAIN ISSUES IN THE SEPTEMBER 2017 FINANCE & PERFORMANCE REPORT**

- 2.1 The September 2017 Finance and Performance report is attached at Annex A.
- 2.2 A balanced budget was set for the Public Health Directorate for 2017/18, incorporating savings as a result of the reduction in Public Health grant.

Savings are tracked on a monthly basis, with any significant issues reported to the Health Committee, alongside any other projected under or overspends.

A forecast underspend of £96k has been identified across the Public Health budgets for 2017/18. Further detail on the outturn position can be found in Annex A.

The first call on any underspend is into the County Council's general reserve, as the County Council allocate some additional core budget to supplement the national ring-fenced grant. Any further underspend beyond the level of core funding will be allocated to the ring-fenced public health grant reserve.

- 2.3 The Public Health Service Performance Management Framework for August 2017 is contained within the report. Of the twenty nine Health Committee performance indicators, four are red, six are amber, sixteen are green and three have no status.
