

- DO NOT SCALE
- This drawing is to be read in conjunction with all other relevant drawings.
- Should there be any conflict between the details indicated on this drawing and those shown on any other drawings the Engineer should be informed PRIOR to construction on site.
- Until technical approval has been obtained from the relevant Authority, it should be understood that all drawings and details issued are PRELIMINARY and NOT FOR CONSTRUCTION. Should the contractor commence site work prior to approval being given, it is entirely at his own risk.
- All dimensions are in millimetres unless otherwise stated.
- It is the responsibility of the contractor to execute the works at all times in strict accordance with the requirements of the Health And Safety At Work Act 1974 and CDW regulations 2007. The contractor will be deemed to have allowed for full compliance, including full liaison with the CDM co-ordinator, within his rates.
