The Cambridge AJC has set priorities for the implementation of area parking plans in Cambridge and the first area has been the subject of consultation.

At the meeting of the Trust and Governance Group held on 23rd January 2009, reports were received on the latest position regarding the slippage in the development, the ongoing discussions between the Homes and Communities Agency (formerly English Partnerships) and Gallagher's and the work undertaken regarding the formation of the Trust. It was agreed that given the changes, further work to establish the Trust should be suspended until the situation became clearer.

It was also resolved that in place of the existing Trust Shadow Board, a Community Partnership Group should be established, representing South Cambridgeshire District Council, the County Council, Horizons, the Primary Care Trust, Cambridgeshire and Peterborough Learning Trust (CPLT) and the Promoters to oversee the development of a Community Project Plan bringing together all work on governance, public realm, community and sports facilities and community development. This Community Partnership Group will report to councillors on the existing Trust and Governance Group on a regular basis.

It was also agreed that the funding set aside to establish the Trust should be retained until its future use is clarified. (The County Council holds this budget on behalf of all of the partners, each partner contributed £50k)

Action suspended - further to the previous decision to suspend any further work to establish the Trust until the position becomes clearer with regard to the development proceeding. This situation remains unchanged.
