Details of decision taken	<p>Having reviewed all the details of the proposed Traffic Regulation Order and taking in to account the consultation process and comments received, the Local Member and Traffic Manager determined the objections and confirmed the proposed scheme should be implemented as advertised as set out in Appendix 3 in the report.</p> <p>The objectors will be informed of the outcome accordingly.</p>
Reasons for taking decision	<p>The report was presented at the meeting to allow the officer to explain the proposals.</p> <p>It was noted that:</p> <ul style="list-style-type: none"> • The proposed waiting restrictions are relatively short in length and will provide a suitable balance between improving road safety, whilst not restricting residents and visitors ability to park in the area. • The no waiting at any time restrictions to be implemented at the junctions of Station Road and Poplar Road and Station Road and School Lane will enhance road safety by preserving visibility and reducing the potential of conflict between opposing traffic and enable free flow of traffic including buses. Few legitimate on street parking spaces will be lost as the Highway Code states that vehicles should no park within 10 metres of a junction. • The no waiting at any time restrictions on Station Road by the war memorial will enhance sight lines at the crossing point which is part of a school walking route.
