Over the last 2-3 years we have used virtual appointments. Now we are using a mix of face to face and virtual appointments (Mostly face to face). What is your preference?

Virtual appointments	Face to Face appointments in clinic	
Face to face appointments at home	Telephone call (no screen)	
A mix of both virtual and face to face	No preference	

C&P Overwhelming response of preference for Face to Face contact for health appointments.

Verbal feedback from the CIC at the point of returning the questionnaires:

- It was too long, and there were too many questions
- We preferred the multiple choice questions
- Reiteration that they all preferred face to face appointments as opposed to virtual methods
- Shalina Chandoo, Quality Assurance Lead (Participation and Independent Visiting) suggested sharing the questionnaire wider to the Care Leavers forum who may be better placed to answer some of the more open questions.
