Details of decision taken	<p>Having reviewed details of the proposed Speed Limit Order and taking into account the consultation process and written representations received, the Local Member and Traffic Manager decided that the proposed scheme should be implemented as published.</p> <p>The objectors will be informed of the outcome accordingly.</p>
Reasons for taking decision	<p>The report was presented to the meeting to allow officers to explain the proposals. It was noted that:-</p> <ul style="list-style-type: none"> • The proposed 30mph speed limit is consistent with national speed limit guidance and the principle of applying 30mph speed limits through villages in appropriate cases. • One of the main concerns was that the proposed 30mph speed limit on Pymoor Lane should be extended further eastwards. It was felt that the length of road in question is more suited to a 40mph limit, so the existing speed limit will be retained on that length of road.
