## 1. BACKGROUND

- 1.1 Commercial and Investment (C&I) Committee will receive the Commercial and Investment Finance and Performance Report at all of its meetings, where it will be asked to review, note and comment on the report and to consider and approve recommendations as necessary, to ensure that the budgets and performance indicators for which the Committee has responsibility remain on target.

## 2. MAIN ISSUES

- 2.1 Attached as **Appendix A**, is the January 2018 Finance and Performance report.
- 2.2 **Revenue:** At the end of January, C&I Committee is forecasting an overspend of £754k on revenue budgets. This is an increase of £104k since last month; there are no new material variances to report.
- 2.3 **Capital:** Predicted in-year variances of £849k have been netted off against the Capital Programme Variations budget. This exceeds the variations budget of £720k, therefore at the end of December C&I Committee is forecasting that the element of the capital programme budget subject to a capital variations budget will be underspent by £129k at year-end.

In addition to this, an in-year underspend of £47,209k is reported on the Housing schemes as a result of the re-profiling reported in the December F&PR. This takes the total programme underspend to £47,338k in 2017-18.

There are no new material variances to report.

- 2.4 There are no Commercial and Investment Committee **performance indicators** reported for January 2018.
