

Cambridgeshire County Council Record of Executive Decision
Decision taken by Traffic Manager in consultation with the local Member

Title of decision	Consider Representations Received in Response to the Publication of a Proposal to Extend the 30mph Speed Limit in Linton Road, Great Abington
Date decision taken	28 th May 2020
Decision maker	Sonia Hansen (Traffic Manager) in conjunction with Councillor Henry Batchelor
Is this a key decision?	No
Is the decision subject to call in?	No
Details of decision taken	Having reviewed details of the 30mph speed limit extension and taking into account the consultation process and written representations received, the Traffic Manager and local Member decided that the proposal should be implemented as published. The objectors will be informed of the outcome accordingly.
Reasons for taking decision	The report was presented to the meeting to allow officers to explain the proposals. It was noted that:- <ul style="list-style-type: none"> • The proposed 30mph speed limit extension is solely required to accommodate the vehicular access to a new development on the north side of Linton Road and is being funded by the developer. • Any further extension of the speed limit would need to be re-published and it would be unfair to expect the developer to fund that. • It is recognised that there is a local desire to lower the speed limit on that length of road south-eastwards towards the A1307. However, due to the character of the aforementioned length of road there is currently no justification for a 30mph speed limit. • The Council would consider the introduction of a suitable lower speed limit should this be required as a result of any future development or if it was put forward as part of a future Local Highway Improvement (LHI) or third party application.
