1. BACKGROUND

- 1.1 The Economy and Environment Committee is invited to undertake its annual review of its appointments to Internal Advisory Groups and Panels and to Partnership Liaison and Advisory Groups.

2. APPOINTMENTS

- 2.1 The only previous appointment to internal advisory groups and panels for this Committee is set out in **Appendix 1**, namely the Huntingdon and Godmanchester Market Town Strategy Steering Group. As the Strategy has already been agreed at an earlier meeting of this Committee, it is recommended that it should be disestablished and no appointments made.
- 2.3 The partnership liaison and advisory groups to be appointed by this Committee are set out in **Appendix 2** to this report (unless otherwise stated). It is proposed that the Committee should review whether the Council should continue to be represented on the bodies listed, taking account of the update notes provided in some cases, and to then agree appointments. This can either be by re-appointing those already listed or making suggestions for any changes to those currently listed.

Those in Appendix 2 that it is recommended to be removed are as follows;

Local Access Forum – This is now undertaken by the Local Enterprise Partnership.

Regional Transport Forum - this Forum is no longer meeting.
