

ADULTS AND HEALTH COMMITTEE: 25 January 2024

Amendment proposed by Councillor Richard Howitt

Additions in bold and deletions shown in strikethrough

Agenda Item 7: Referral from Audit and Accounts Committee

The Adults and Health Committee:

- consider the matter referred by the Audit & Accounts Committee.
- **expresses its support for Open Book accounting in line with the Council's existing practice, but believes any change in application should not be applied specifically to Public Health, but be subject to Council-wide application, including in relation to any change in criteria for when it is applied.**
