Decision taken by Traffic Manager in consultation with local Member

Date decision taken	23 rd April 2019
Decision maker	Sonia Hansen (Traffic Manager) and Councillor Lorna Dupre
Is this a key decision?	No
Is the decision subject to call in?	No
Details of decision taken	Having reviewed details of the proposed Speed Limit Order and Speed Cushions and taking into account the consultation process and written representations received, the Local Member and Traffic Manager decided that the proposed scheme should be implemented as published. The objectors will be informed of the outcome accordingly.
Reasons for taking decision	The report was presented to the meeting to allow officers to explain the proposals. It was noted that:- <ul style="list-style-type: none"> • The proposed 20mph speed limit is consistent with national speed limit guidance and the principle of applying 20mph speed limits in suitable areas, such as residential roads. • Church Lane is included within the proposed 20mph speed and the cushions are designed to physically restrain vehicle speeds, thereby assisting with compliance of the 20mph limit. • This scheme is intended by the Parish Council to address the longstanding problem of rat-running down Church Lane and along the east of the High Street in order to achieve priority at the junction of The Brook and the High Street; and to encourage traffic to use the 'all routes' B1381 through the village. The implementation of a 20mph speed limit along with speed reducing measures in the form of speed cushions would appear to fulfil that intention.
