

**ADDITIONAL PAPER - CAMBRIDGESHIRE FLOOD AND WATER
SUPPLEMENTARY PLANNING DOCUMENT (SPD)**

AMENDED RECOMMENDATION

To: **Economy and Environment Committee**

Meeting Date: **14th July 2016**

From: **Executive Director – Economy, Transport and Environment**

Electoral division(s): **All**

Forward Plan ref: **N/A** **Key decision:** **No**

1. Following recent discussions with the other Cambridgeshire local planning authorities (LPA) over the timing and process for the adoption of the Supplementary Planning Document It has been agreed to delay the adoption until each LPA has endorsed the SPD through their respective member processes.
2. Members therefore are being asked to confirm the County Council's endorsement of the SPD as a technical document in advance of similar endorsement from the other LPAs and subsequent formal adoption.
3. As Local Lead Flood Authority and therefore a statutory consultee on flooding matters it is important for the County Council to lead this process of technical endorsement.

Recommendation: **The Committee is requested to:**

- 1) **Confirm the County Council's technical endorsement of the Cambridgeshire Flood and Water Supplementary Planning Document; and**
- 2) **Delegate to the Executive Director (Economy, Transport and Environment) in consultation with the Chair and Vice Chair of the Committee the authority to make minor textual and editorial changes to the SPD, in consultation with the Officer Steering Group.**
