Date decision taken	3 rd July 2020
Decision maker	Sonia Hansen (Traffic Manager) and Councillor Mike Shellens
Is this a key decision?	No
Is the decision subject to call in?	No
Details of decision taken	<p>Having reviewed all the details of the proposed Traffic Regulation Order and taking in to account the consultation process and comments received, the Local Member and Traffic Manager determined the objections and confirmed the proposed scheme should be implemented as advertised as set out in Appendix 2 in the report.</p> <p>The objectors will be informed of the outcome accordingly.</p>
Reasons for taking decision	<p>The report was presented at the meeting to allow the officer to explain the proposals.</p> <p>It was noted that:</p> <ul style="list-style-type: none"> • The applicant of one of the bays has a hard standing at the rear of the property which has previously been used to park a vehicle however the applicant's vehicle is too wide to park on this hardstanding. • The statement of objection raising concern that emergency/refuse vehicles would not be able to access the lower end of Bernard Close if the disabled persons parking bays were implemented was noted. In response to these concerns it was noted that the dimensions of the carriageway and footways have been measured and there is sufficient width for emergency vehicles and refuse vehicles to pass. The emergency services and District Council were consulted as part of the consultation process for the proposed bays and offered no objections.
