

COUNTY COUNCIL: 28THJUNE 2016

2. THE CAMBRIDGESHIRE & PETERBOROUGH DEVOLUTION PROPOSAL

Amendment from Councillor Giles

Additional recommendation to recommendation (ii) as follows (additions in bold):

- (ii)(a) Considers and determines whether to approve the content of the Devolution Deal proposal, (attached at Appendix B), and confirms that this replaces in its entirety the East Anglia Devolution Agreement signed in March 2016.
- (ii)(b) **Call on the Combined Authority to work with Huntingdonshire District Council and St Neots Town Council with particular reference to item 32 of this devolution document in that the Combined Authority recognises the economic importance of St Neots as Cambridgeshire's largest and fastest growing town. Moreover, the Combined Authority also recognises the presence of some of the County's highest areas of deprivation are in St Neots, and the necessity to provide employment opportunities through a new Local Enterprise Zone based in St Neots. To enable further economic growth, the Combined Authority will develop plans which comply with the "adopted" St Neots Neighbourhood Plan to provide additional infrastructure, local employment and sustainable transport solutions including provision of a St Neots northern bypass, a new vehicular river crossing and the delayed northern pedestrian/cycle river crossing and flood prevention improvements to Little Paxton Bridge.**
