

# Cambridgeshire County Council Record of Executive Decision

Decision taken by the Traffic Manager in consultation with the local members(s)

Title of decision	Traffic Regulation Order objections associated with the proposed raised table, build-out and waiting restrictions on New Street, Cambridge
Date decision taken	3 <sup>rd</sup> February 2021
Decision maker(s)	Sonia Hansen (Traffic Manager), Councillor Joan Whitehead and Councillor Linda Jones
Is this a key decision?	No
Is the decision subject to call in?	No
Details of decision taken	<p>Having reviewed all the details of the proposed Traffic Regulation Order and taking in to account the consultation process and comments received, the Local Members and traffic Manager determined the objection and confirmed the proposed scheme should be implemented.</p> <p>The objector will be informed of the outcome accordingly.</p>
Reasons for taking decision	<p>The report was presented to the meeting to allow the officer to explain the proposals.</p> <p>It was noted that:</p> <ul style="list-style-type: none"><li>• The crossing would address a safety concern for pedestrians and that the loss of two on-street parking places was not a strong enough reason to warrant the scheme's refusal.</li><li>• A residents parking scheme was previously proposed, however, the lack of resident buy-in meant it was never progressed. Current circumstances may have had an effect on this though so the idea will likely be revisited.</li></ul>
