| 1.0   | BACKGROUND   |
|-------|--|
|       |  |
| 1.1   | What is White Ribbon?  |
|       | As Members will be aware from the paper in December 2017, the mission of White<br>Ribbon is to end male violence against women and girls, men and boys. To wear a<br>White Ribbon is to pledge never to commit, excuse or remain silent about male<br>violence. Their message to men is to practice tolerance, respect and kindness, and<br>to stand up against male violence, bullying and sexism in all forms.<br>The ethos of the campaign is that men need to join women and women's<br>organisations in taking action to end the problem of men's violence against women<br>and girls (and other men and boys). The following information is intended to inform<br>on progress made to date.      |
|       |  |
| 2.0   | MAIN ISSUES  |
| 2.1   | What is Cambridgeshire County Council committing to?   |
| 2.1   |  |
| 2.1.1 | Cambridgeshire County Council commits to implement the White Ribbon action plan<br>which will be overseen by the White Ribbon Implementation Group. Full details on<br>public sector sign up can be accessed on White Ribbon website. To date, the<br>Implementation group has met twice and will continue to meet monthly, focused on<br>tasks to be completed. The action plan which is attached as Appendix One will<br>continue to evolve as the work develops. The group aims to apply for accreditation in<br>the Summer of 2018, and there will be key events to celebrate accreditation, when<br>gained, in November 218, during the 16 Days of Action to Eliminate Violence Against<br>Women. |
| 2.1.2 | The Implementation Group is Chaired by Cllr Kevin Cuffley, with key local authority officers in attendance, to oversee the accreditation process, and to embed the current countywide strategy across Cambridgeshire County Council.(CCC)  |
| 2.1.3 | Through work within the Domestic Abuse and Sexual Violence Partnership, and an internal CCC focus on Domestic Abuse, Cambridgeshire County Council is in a good position to gain accreditation and a number of actions underway. The communications plan developed by CCC Corporate Communications Team forms a key part of the plan.  |
| 2.2   | Achievements so far  |
|       | <ul> <li>To date, the White Ribbon Implementation Group has:</li> <li>Appointed a senior officer responsible for leading activities and liaising with</li> </ul>   |

|  | WRC UK   |  |  |  |  |  |  |  |  |  |
|--|--|--|--|--|--|--|--|--|--|--|
|  | <ul> <li>Agreed the role the Member Ambassadors for Domestic Abuse and Sexual Violence (DASV) will play on behalf of the Local Authority</li> <li>Set up system to monitor progress of action plan and report back to WRC</li> <li>Implemented a revised domestic abuse policy for staff</li> </ul>  |  |  |  |  |  |  |  |  |  |
| <ul> <li>Focus for the next six months will be:</li> <li>Recruiting and training four Ambassadors</li> <li>Community engagement &amp; Community Champions –developing the Community Champions to ensure they are able to increase awaren understand what is available for those suffering from domestic able sexual violence.</li> <li>Embedding the Domestic Abuse Policy within the Human Resource Teensuring managers are aware of the policy.</li> </ul> |  |  |  |  |  |  |  |  |  |  |
| 2.3  | A further update on progress on the plan will be brought to Committee prior to submission for accreditation.   |  |  |  |  |  |  |  |  |  |
| 2.4  | Other Authorities and Organisations<br>Cambridge City Council are already accredited and taking forward awareness and<br>communications activities within the City. The Community Safety Partnerships and<br>district council officers have been briefed on White Ribbon and are looking to<br>develop this further within their own organisations, which the DASV team are<br>supporting them with. The DASV Partnership Team will also be working closely with<br>Peterborough City Council to support them in also gaining accreditation, and will be<br>taking forward work jointly where this may be appropriate. |  |  |  |  |  |  |  |  |  |
| 3.0  | ALIGNMENT WITH CORPORATE PRIORITIES  |  |  |  |  |  |  |  |  |  |
| 3.1  | Developing the local economy for the benefit of all  |  |  |  |  |  |  |  |  |  |
|  | In a report into the costs of domestic abuse produced for the Local Government Association by Walby (2009), the estimated lost economic output attributed to domestic abuse was £21.6m per year. Therefore, any actions to tackle, reduce or challenge the issue are likely to reduce this lost output.  |  |  |  |  |  |  |  |  |  |
| 3.2  | Helping people live healthy and independent lives  |  |  |  |  |  |  |  |  |  |
|  | The White Ribbon Campaign is part of a suite of actions to enable people to live free of domestic abuse and sexual violence, both of which have significant impacts on health and independence. The report cited above, estimates the physical and mental health care costs of domestic abuse in Cambridgeshire at £19.5m.   |  |  |  |  |  |  |  |  |  |

| 3.3 | Supporting and Protecting Vulnerable People   |
|-----|---|
|     |   |
|     | The Walby Report estimated annual Social Care costs for those affected by               |
|     | domestic abuse to be £3.2m.   |
| 4.0 | SIGNIFICANT IMPLICATIONS  |
| 4.0 | SIGNIFICANT IMPLICATIONS  |
| 4.1 | Resource Implications.  |
| 4.1 |   |
|     | The costs in terms of marketing materials and small events will be minimal, and         |
|     | would be anticipated to be less than £2,000 over the next 12 months.                    |
|     |   |
| 4.2 | Procurement/Contractual/Council Contract Procedure Rules Implications                   |
| 4.2 | r locurement/contractual/council contract r locedure Rules implications                 |

| 4.3 | Statutory, Legal and Risk Implications  |
| _   |   |
|     | There are no significant implications within this category.                             |
|     |   |
| 4.4 | Equality and Diversity Implications   |
|     |   |
|     | Domestic Abuse and Sexual Violence are highly gendered crimes, therefore there          |
|     | will be greater impact on female residents in Cambridgeshire.                           |
|     |   |
|     | We will need to ensure that any public awareness makes it clear that the issue          |
|     | includes violence against men and boys, as well as women and girls.                     |
|     | Sexual violence is very topical at the moment in the national media so it is beneficial |
|     | to show that we are responding locally to the issues.                                   |
| 4.5 | Engagement and Communications Implications  |
| 4.3 |   |
|     | Accreditation and future activity will require support from the community engagement    |
|     | and communications teams, both of which are represented on the Implementation           |
|     | Group, Chaired by Cllr Cuffley  |
|     |   |
| 4.6 | Localism and Local Member Involvement   |

# Appendix A – Cambridgeshire County Council White Ribbon Action Plan

Please note that this action plan is a template, designed to guide you in constructing an anti-Violence Against Women & Girls (VAWG) campaign targeted at men and boys. We have included some additional activities at the end of the document which are not essential but signify good practice. We will assess the award on the evidence of work completed and/or the inclusion of clear targets to show that the essential criteria (actions 1-5) can be achieved. Guide notes are provided below to assist you in completing the plan.

#### **Guidance Notes**

### 1. Management & Leadership

- i. Appointing a lead officer responsible for overseeing the actions will help the campaign gain momentum and achieve the activities planned.
- ii. Using the action plan to monitor progress will enable WRC UK to ensure the award scheme is being adhered to and will also enable the authority to evidence work undertaken.
- iii. Application for a further award will be assessed against the activities completed, and outcomes achieved, in the previous 2 years. This should be reported on in columns 1 and 2 use a separate sheet if more space required.

#### 2. Domestic Abuse Strategy

- i. As outlined above it is recognized that in order for the White Ribbon Campaign (WRC) to be effective services to support those escaping abuse need to be in place. If we are to raise awareness of the problem, then support must be available to those who seek help.
- ii. Education is at the heart of the campaign. WRC believes that education that seeks to engage young men and boys in transformative learning is key to changing attitudes and behavior in future. We recommend that programs are commissioned that are directed towards boys and men and that this is reflected in the PHSE curriculum in schools.
- iii. Domestic Abuse Policy as an employer the local authority needs to support its staff. Given the statistic that one in four women will experience abuse in her lifetime there will be a significant number of employees in need of support in the workplace.
- iv. Training WRC recognize that local authorities will already have domestic abuse training programmes in place. We recommend that the programmes are fully supported and resourced, and that information about the WRC and the role men can play in challenging abuse be included in all training materials. WRC can deliver training to your staff, and provide materials about the campaign for handouts/e-learning etc.

### 3. Ambassadors

- i. We recommend at least 4 ambassadors lead on campaign activities. This will help reinforce the campaign message and enable men to identify with the message
- ii. Pledge taking the pledge is a first step in taking part in the campaign and is a good way of raising the profile and engaging men.
- iii. Ambassador Training and Guide. All Ambassadors should become well informed about their role, and confident about what men and boys can do to challenge VAWG. Where practical, WRC can offer an initial awareness-raising session for Ambassadors as part of the WRC Award launch event. We would expect all Ambassadors to attend this session. If this is not possible, they should make arrangements to be briefed by attending Ambassadors. All ambassadors should also undertake the 4 brief WRC online training modules and face-to-face training about WRC and men's role in challenging VAWG. WRC can deliver this training, or

provide materials about the campaign for handouts/e-learning etc. When Ambassador applications have been received, we send all Ambassadors our Ambassador Starter Pack.

iv. Although our main focus is on supporting men and boys to take a stand about male violence against women and girls, we also welcome women as Champions for the Campaign. Women can be very influential in encouraging men and boys to take a stand about male violence against women and girls. It is important that their role is well-supported too. Champions are welcome at all our Ambassador training, and on request will be sent our Ambassador Guide.

## 4. Communication Strategy

- i. WRC's aim is to support and work alongside existing work taking place to support victims of abuse in particular to provide accessible information for members of the community to report abuse and promote a coordinated community response.
- ii. In addition to promoting information on what support and help is available, we would like to see local authorities utilise publicity materials directed towards men so that they can be encouraged to take part in condemning violence against women. The aim of the campaign is to recruit male members of society to get involved in our work and feel that they can be part of the solution.
- iii. LOGO once you receive the award we suggest you demonstrate your commitment by displaying the logo on letterheads, signage, websites etc.
- iv. Set up a monitoring system to enable staff and local communities to feedback on their experience of the campaign so that you we can monitor its effectiveness.

# 5. Community Engagement

- i. Community events are an effective way of raising the profile of the campaign and reaching out to communities who may not engage with services or are hard to reach. We suggest aiming for three per year one of which could coincide with 25<sup>th</sup> November. See resource sheets and information pack for Ambassadors for ideas on organizing events.
- ii. **Sports** Sports venues and sporting events are a great way to raise the profile of the campaign and the issue of violence against women with men who are either taking part or as a spectator. WRC currently employs an Ambassador Ikram Butt he has a wealth of experience in the sporting world and can lead on recruiting and supporting sports clubs and venues to achieve our WRC Sports Award. If you would like to develop the sport activities as part of your actions please contact the office so that we can put you in contact with Ikram.
- iii. **Music Venues** festivals, concerts, night clubs all provide great opportunities to engage men in the campaign and raise the profile of all forms of abuse. WRC works with venues and support them in becoming WRC accredited.
- iv. White Ribbon Day 25<sup>th</sup> November and UN International End Violence Against Women Day this day is an extremely important day for the WRC as it shows the international reach of the campaign as thousands of people commemorate the day and organize events across the world to raise the profile of the campaign to end violence against women and girls. It provides a focal point for activities and is a great way to promote your work.
- v. **16 Days of Action** 25<sup>th</sup> November until 10<sup>th</sup> December the campaign runs from the 25<sup>th</sup> November which is UN International Day of Elimination of Violence against Women to 10<sup>th</sup> December Human Rights Day. The campaign spans these days in order to highlight the link between violence against women and human rights. The 16 Days includes other significant dates such as Human Rights Defenders Day (29<sup>th</sup> November) and World Aids Day (1<sup>st</sup> December) and the anniversary of the Montreal Massacre (6<sup>th</sup> December which was the event which precipitated the start of the White Ribbon Campaign in Canada where a student shot 6 female students).

# 6. Additional Actions

**Zero limit on sex establishments** – Lap dancing clubs are currently licensed under the Licensing Act 2003. Critics have argued that this regime is too lax for controlling such venues and have called for them to be reclassified as "sex encounter establishments" under earlier (but still current) legislation. Following a consultation with local authorities and in response to widespread public concern at the proliferation of such clubs, the Government introduced the Policing and Crime Act 2009. As a result, from 6 April 2010, local authorities will be able to require all lap dancing clubs in their area, including existing venues, to apply for a sex establishment license if they want to

continue to operate lawfully. Where the new provisions are adopted, local people will then be able to oppose an application for a lap dancing club on the basis that it would be inappropriate given the character of their local neighbourhood. For further information see the links below.
