c) Unpaid Carers being treated as a high priority group for the early vaccination Programme	Liz Robin	Members highlighting that unpaid carers caring for the most vulnerable were not included in the list of the proposed first round of priority vaccinations and asking if the Committee could do anything to lobby Government to highlight this important but often neglected group to seek to add them to the list. The Director was happy to take this suggestion forward through the appropriate local routes who could then escalate the suggestion to national government.
