## 1. BACKGROUND

- 1.1 After the County Council election last year, the Leader of the Council in consultation with Group Leaders or their representatives made appointments to the following:
- Appointments to Outside Bodies: Cabinet Appointments
  - Appointments to Internal Advisory Groups and Panels
  - Appointments to Partnership Liaison and Advisory Groups
- 1.2 The County Council's new Constitution states that the General Purposes Committee has
- Authority to nominate representatives to Outside Bodies other than the Cambridgeshire and Peterborough Fire Authority, the County Councils' Network Council and the Local Government Association.
  - Authority to determine the Council's involvement in and representation on County Advisory Groups. The Committee may add to, delete or vary any of these advisory groups, or change their composition or terms of reference.
- 1.3 Before compiling this report, Group Leaders had suggested that there was a need to review the Council's representation on outside bodies, internal advisory groups and panels, and partnership liaison and advisory groups. Strategic Management Team was therefore asked to review appointments and identify the following:
- Whether any appointments involving Members were missing
  - Whether any of the current appointments should continue

Comments raised by Strategic Management Team are highlighted in the attached appendices.

- 2.3 The partnership liaison and advisory groups where appointments are required are set out in **Appendix 3** to this report. The current representative(s) is
