1. BACKGROUND

1.1 The County Council's Constitution states that the General Purposes Committee has

- Authority to nominate representatives to Outside Bodies other than the Cambridgeshire and Peterborough Fire Authority, the County Councils' Network Council and the Local Government Association.
- Authority to determine the Council's involvement in and representation on County Advisory Groups. The Committee may add to, delete or vary any of these advisory groups, or change their composition or terms of reference.

2. APPOINTMENTS

2.1 The outside bodies where appointments are required are set out in **Appendix 1** to this report. Councillor Sir Peter Brown has asked to step down as the Council's representative on the Hinchingsbrooke Country Park Joint Group; Councillor Peter Ashcroft has indicated that he is willing to take his place. It is proposed that the Committee should also review whether the Council should continue to be represented on any of these bodies.

2.2 The internal advisory groups and panels where appointments are required are set out in **Appendix 2** to this report. It is proposed that the Committee should review whether the Council should continue to be represented on any of these bodies and agree the appointments, and continue to refer the remaining appointments to the relevant policy and service committee (*a list is available on the Council's website at the following link*
http://www.cambridgeshire.gov.uk/info/20087/councillors_and_meetings/313/county_councillors/2)

2.3 Following on from discussions about Member IT at a previous General Purposes Committee meeting, a paper was taken to Group leaders to discuss the security implications of member usage of email especially the use of personal email addresses. It is proposed that a member working group is set up to discuss the risks and security implications of the use of email and to make sure these risks are sufficiently mitigated. This will ensure that the Council maintains the security of its information and that working practices of members remain effective and reasonable. It is also proposed that the Working Group be called on, as appropriate, to consider other Member IT related issues on behalf of the council. Nominations for this Working Group are required (one member from each political group).

2.4 The partnership liaison and advisory groups where appointments are required are set out in **Appendix 3** to this report. It is proposed that the Committee should review whether the Council should continue to be represented on any of these bodies and agree appointments, and continue to refer the remaining appointments to the relevant policy and service committee.
