<b>1.</b>	<b>BACKGROUND</b>
<b>1.1</b>	It is stipulated in the Cambridgeshire County Council constitution that all Committee's will have a training plan developed and in place for existing and new members for that Committee.
<b>2.</b>	<b>MAIN ISSUES</b>
<b>2.1</b>	In May 2017, the Communities and Partnerships Committee was introduced as a new Committee for Cambridgeshire. Over the last few months, the Committee has been establishing itself and has agreed to develop a number of workshops on key areas to ensure Members are well informed ahead of any decisions being required.
<b>2.2</b>	These workshops are generally organised on the day of Committee and/or utilising a reserve Committee date when available.
<b>2.3</b>	It is suggested that the workshops should be considered as part of the training plan for the Committee, which would give Members more opportunity to influence the workshop content for their training needs. A plan can be found as Appendix 1.
<b>2.4</b>	The Committee will review the plan at forthcoming Committee meetings.
