Cambridgeshire County Council Record of Executive Decision

Decision taken by Traffic Manager in consultation with the local Member

Title of decision	Consider Representations Received in Response to the Publication of the Traffic Regulation Order to Prohibit Waiting on West Wratting Road and High Street, Balsham
Date decision taken	31st of August 2021
Decision maker	Sonia Hansen (Traffic Manager) in conjunction with Councillor Henry Batchelor
Is this a key decision?	No
Is the decision subject to call in?	No
Details of decision taken	Having reviewed details of the proposal to install double yellow lines on West Wratting Road and High Street, and taking in to account the consultation and the comment received, the Traffic Manager and Local Member decided that the proposal should be implemented as published. The objectors will be informed of the outcome accordingly.
Reasons for taking decision	The report was presented to the meeting to allow officers to explain the proposals. It was noted that: - The proposals seek to improve road safety for pedestrians and drivers. Now, cars have been parking around this tight junction and this leaves drivers and other road users with very limited visibility and little space to manoeuvre. The installation of double yellow lines will reinforce 243 of the Highway Code. Prohibit waiting/parking during limited times only wouldn't be effective. The scheme presents a solution that would always address the existing concerns. It was recognised that there is a local desire to tackle uncontrolled parking in the proposed areas.
Options considered	Please see above – 'Reasons for taking decision'.
Details of any conflict of interests declared	No conflicts of interest.
