

School Revenue Balances Survey

1. Following increasing scrutiny in respect of the total level of revenue balances being held by Cambridgeshire schools we are requesting information from all maintained and academy schools on the level of balances and purpose for which they are intended.

This information will be used to inform discussions at Cambridgeshire Schools Forum and to provide evidence to the DfE in respect of the financial challenges facing Cambridgeshire schools. This information will not be part of any clawback from schools in Cambridgeshire.

Please complete the following survey to let us know your views by xth January 2020.

This survey should take no more than 10 minutes to complete.

Please click "next" below to begin the survey.

If you have any questions, please contact us schools.funding@cambridgeshire.gov.uk

The information you are providing will assist informing CCC in provision of services and will be held in accordance with the Data Protection Act 1998.

On clicking "next" you confirm you are happy for your response to be used in the consultation analysis and results. Your responses may be included as valid answers, even if you do not click "Submit" at the end of the survey.
