The communications plan for 2024/25 details the communications activities within the scheme year and can be found in appendix 1.

2. Executive summary

- 2.1 The communications plan outlines our activities monthly for each stakeholder group and was approved by the Pension Fund Committee at its last meeting and is being presented to the Board for post-scrutiny.
- 2.2 As well as sending out statutory communications planned newsletters, surveys, employer training and web updates it also highlights other key communications initiatives.

- 3.3 In Q3 we'll focus on embedding our new brand guidelines and making sure that as a service we're:
 - using plain language
 - writing inclusively
 - engaging our audience.
- 3.4 In Q4 our focus will be on launching the enhanced member self-service portal to increase member engagement. This is subject to some improvements being made to the service.
- 3.5 Our communications plan also highlights our intention to promote campaigns like:
 - pensions awareness week
 - pension attention campaign
 - national pension tracing day

and to work with the LGA on initiatives like new starter engagement and midlife MOTs.
