5. Business Planning update for 2024-29

It is recommended that the Committee:

- a) Notes the overview and context provided for the 2024 – 2029 business plan.
- b) Notes the Quality of Life survey initial findings and **request policy and service committees to specifically address how their actions will propose to influence these, and** how that and other consultation and scrutiny on future proposals will feed into this year's business and budget planning approach.
- c) Notes the next steps, governance approach and actions underway to develop the business plan.
