Permit Parking Areas Proposal

Measurements are given in metres.

Operational hours:
 Residents' parking bays 09:00 - 17:00, Monday to Saturday
 Limited bays 09:00 - 17:00, Monday to Saturday, max stay 2 hours

There will be zone entry signs at the entry/exit to each zone and repeater signs, but no bay markings. Generally speaking, parking with a valid permit is permitted anywhere within the zones unless marked by yellow lines within the highway extents. Private non-highway parking areas are subjected to their own signing and marking requirements.
