

## STRATEGY AND RESOURCES COMMITTEE: 26TH JANUARY 2023

Amendment proposed by Councillor Steve Count

Additions in bold and deletions shown in strikethrough

### 5. Electricity Procurement for 2024-28

It was resolved to:

- a) ~~approve the renewal of the electricity supply contract with Total Energies via the ESPO framework for the supply period October 2024 to September 2028~~ **the termination of the electricity contract with Total Energies via the ESPO framework at the end of the current supply period (30 September 2024), then seek to enter into a contract with Beond to procure an electricity supply contract through their Dynamic Purchasing System for a 3-year supply period from 1 October 2024.**
- b) request an update in 12 months' time as to the steps taken by officers to engage with ESPO, as a shareholder, to support higher levels of low carbon energy in ESPO's forward strategy.
