

## Determined Admissions Arrangements for the 2022/2023 academic year

To: Children and Young People's Committee

Meeting Date: 19 January 2021

From: Executive Director Children and Young People's Services: Wendi Ogle-Welbourn

Electoral division(s): All

Forward Plan ref: N/A

Key decision: No

Outcome: To seek approval to determine the qualifying co-ordinated scheme for admission to school and changes to the admissions arrangements for Community and Voluntary Controlled Schools which would affect the admission of children in the 2022/23 academic year.

By agreeing to approve the admission arrangements for 2022/23, the Committee will be ensuring that the Council is meeting its legal obligations. In line with the requirements of the statutory Code of Admissions, the arrangements need to be determined and published by 28 February 2021, following the conclusion of consultation on the proposed changes.

Recommendation: The Committee is recommended to:

- a) Determine the co-ordinated qualifying scheme and admission arrangements for all schools for whom the Council, as the Local Authority, is the admission authority as published in the consultation documents for admission to school in 2022/23.
- b) Support the proposal that a full and comprehensive review of the determined admission arrangements for all own admission authority schools is undertaken. This should include the published definitions of existing school catchment areas and admission policies for schools with a sixth form. Any issues, or concerns should be highlighted, recorded and shared with the respective admission authority for the school with a view to these being addressed immediately, where they are in breach of legislation, or as part of the annual consultation process for admission to school in 2023/24 which will commence in the autumn term of 2021.

## 1. Background

1.1 The Local Authority (LA) is responsible for formulating, each academic year, a qualifying scheme in relation to the transition of children to each primary and secondary school in Cambridgeshire. The LA must consult in respect of the proposed scheme, where it is substantially different from the qualifying scheme adopted in the preceding academic year, or where the LA has not consulted on a qualifying scheme in the previous seven years.

In addition, the LA, as the admission authority for all community and voluntary controlled schools in Cambridgeshire, must determine the admission arrangements for these schools every year. Consultation of those arrangements is required when the following changes are proposed:

- A decrease in the Published Admission Number (PAN); and/or
- A change to the catchment area; and/or
- A change to over-subscription criteria.

There is no requirement on admission authorities to consult on any proposed increase to a school's PAN.

The statutory Admissions Code (2014) requires that the consultation period must be for a minimum of six weeks and must take place between 1 October and 31 January in the determination year.

1.2 All admission authorities must consult with:

- a) parents of children between the ages of two and eighteen;
- b) other persons in the relevant area who, in the opinion of the admission authority, have an interest in the proposed admissions;
- c) all other admission authorities within the relevant area (except that primary schools need not consult secondary schools);
- d) whichever of the governing body or the local authority is not the admission authority for the school; any adjoining neighbouring local authorities where the admission authority is the LA; and
- e) in the case of schools designated with a religious character, the body or person representing the religion or religious denomination.

1.3 Following the consultation period for admission to school in 2022/23, all admission authorities need to have determined their admission arrangements by 28 February 2021 and then notified all consultees of this within 14 days of that date. Once determined all

admission authorities are required to publish a copy of the determined arrangements on their website as soon as possible, and no later than, 15 March in the determination year. All other admission authorities must send a copy of their full, determined arrangements to the LA by this date.

## 2.0 Main Issues

2.1 The consultation documents including the proposed co-ordinated qualifying scheme and admission arrangements for schools for whom the LA is the admission authority for 2022/23 were published on 2 November 2020. The six week consultation period concluded on 14 December 2020. Prior to this date all foundation, voluntary aided and academy schools in Cambridgeshire had been contacted to remind them of the need to follow the consultation and determination process as set out in the Code.

The LA's consultation was in respect of proposed PAN changes to three schools:

- i. Bewick Bridge Community Primary School, Cambridge – PAN reduction from 60 to 30
- ii. Burwell Village College Primary School – PAN reduction from 90 to 60
- iii. Westfield Junior School, St Ives – PAN reduction from 90 to 60.

No objections or comments were received to these proposals during the consultation period.

2.2 The LA does not publish details of proposed admission arrangements for own admission authority schools.
