Rapid Review of Cambridgeshire and Peterborough Integrated Care System Winter Planning December 2023

Report title	Officer/s responsible	Recommendation/s	Outcomes	Review date
	C Anderson, Chief Nursing Officer ICS	<p>The Committee learned during its scrutiny of improving health outcomes for people with learning disabilities on 14th December 2023 that respiratory disease is one of the highest causes of premature mortality amongst people with learning disabilities in Cambridgeshire.</p> <p>The Committee requests a short note setting out what steps have been taken to ensure that people with learning disabilities and their families are aware of the new multi-disciplinary pathways available to manage respiratory illness, and the reasonable adjustments in place to make these accessible to people with learning disabilities.</p>		Follow up April 2024
	CCC Communications Team	Requests that all County Councillors and co-opted members of the Adults and Health Committee be made aware of the 'Stay Well for Winter' leaflet produced by the County Council and how to obtain electronic or hard copies of this.	11.01.24: A copy was circulated electronically to committee members.	Completed

Meeting 14th December 2023

Report title	Officer/s responsible	Recommendation/s	Outcomes	Review date
Improving Health Outcomes for People with Learning Disabilities	C Anderson, Chief Nursing Officer, ICS	Requests a short written update in 12 months' time on the outcome of the pilot project to align annual health care checks for people with learning disabilities with their birthdays. This should state whether this initiative will be rolled out across the county; and, if so, the timescale for doing so.		Follow up requested January 2025
Improving Health Outcomes for People with Learning Disabilities	P Warren-Higgs, Executive Director Adults, Health and Commissioning/ C Anderson, Chief Nursing Officer, ICS	Recommends that County Council officers work with Health Service partners to offer basic healthcare training to carers so that they can carry out basic health checks and support such as mouth care and inspections; foot care inspections; and supporting good eating techniques to reduce the risk of aspiration for people with learning disabilities.	On-going work with health partners to establish appropriate available training options for those carers supporting those with LD in these specific areas and access routes into these specific training programmes.	On-going
Improving Health Outcomes for People with Learning Disabilities	C Anderson, Chief Nursing Officer, ICS	Requests a short written evaluation in 12 months' time of the learning from the keyworker pilot project. This should include the number of people with learning disabilities receiving the support of a keyworker against the known population of people with		Follow up requested January 2025
