Continue to manage defects on a case by	SD S&D ETE	Oct-15		G	
					6. Legal Advice has been taken confirming that the defects are defects under the contract and that the Council has a good case for recovering the cost of correction from the Contractor									
					<ol> <li>Retention monies held under the contract have been withheld from the Contractor and used to meet defect correction and investigation costs.</li> </ol>									
					<ol> <li>Funds have been set aside from the Liquidated Damages witheld from the Contractor during construction, which are available to meet legal costs</li> </ol>									
					9. General Purposes Committee have resolved to correct the defects and to commence legal action to recover the costs from the Contractor									
					10. Initially defects are being managed on a case by case basis until the contractual issues are resolved, minimising impact on the public.									
					11. Monitor and inspect Busway and repair defects as they arise.
