4.2 Procurement/Contractual/Council Contract Procedure Rules Implications
The following bullet points set out details of significant implications identified by officers:

- To drive forward the recruitment campaign within the short timescales set by the conditions of the grant, a contract for £192,500 has been directly awarded to CPL Ltd. The contract will be jointly funded through the grant allocated across Cambridgeshire County Council (£134,750) and Peterborough City Council (£57,750). This organisation has evidenced achievement of positive outcomes in successfully undertaking equivalent activities previously.
- The Grant carries with it a number of conditions and could have implications under state aid regulations. An outline of how this is being managed is within paragraph 1.3
