| 1. | Dr Liz Robin | Councillor Edna Murphy, Chair of the Children and Young People Committee | <p>“I would like to speak at this meeting because I believe that the Council's decision to stop funding for holiday supermarket vouchers for children entitled to free school meals will have a negative impact on many families. The Crisis and Resilience Fund guidance on which the Council based their decision was ambiguous and there is evidence from the DWP that the Councils interpretation that the CRF cannot be used to fund these vouchers is incorrect.</p> <p>I am speaking as a concerned local resident. For transparency I should also say that I'm secretary of the Cambridge Constituency Labour Party (CLP) but am not speaking on behalf of the CLP.”</p> |
