

Assets and Procurement Committee – 15 October 2024

Agenda Item No. 3 Petitions and Public Questions

Questions in relation to Agenda Item No. 4 Disposal of Mill Road Library

Question from Ms Charlotte de Blois

I am eager that the Old Library should be retained by the community for the benefit of the community.

Question from Ms Kate Collins

I am a resident of the Mill Road neighbourhood and a co-founder of charity Love Mill Road, which supports community engagement and local distinctiveness. I am also a member of the Mill Road Winter Fair Committee (and a former Chair) and lead the associated programme of Mill Road Fringe activities, which take place all year round. I'd like to speak in support of the community-led conversion of the Old Library building into an arts and culture centre.

Question from Ms Kati Preston

I am wanting to speak to the various ways in which the views, concerns, wishes, and memories of the local community have been completely disregarded in the way that County Council officers have framed their priorities and recommendations to the County Council members - for the 'disposal' of our Old Library on Mill Road.
