Overview of Cambridgeshire and Peterborough Fire Authority

The Fire Authority is the governing body responsible for delivering a fire and rescue service to the residents of Cambridgeshire and Peterborough.

It was established in 1998 when Peterborough City became a unitary authority. In some counties, the delivery of the fire and rescue service is the responsibility of the county council, or a Police and Fire Commissioner. However, in counties such as Cambridgeshire where unitary authorities exist, a separate Fire Authority is set up to run the fire service and this is made up of Councillors from both the county council and unitary councils.

The Authority has overall control over the strategic direction, establishment, budget and functions of a fire and rescue service and over the purchase, sale and alteration of premises and appliances.

Chief Fire Officer

The Chief Fire Officer/Chief Executive is responsible for the day-to-day management of the organisation and is accountable to the Fire Authority for its efficient operation.

The Chief Fire Officer, together with the Deputy Chief Executive Officer and Assistant Chief Fire Officer form the Chief Officer Group who are the Authority's strategic leadership team.

Statutory Officers

There are also two Statutory Officers, who report direct to the Authority and provide assurance as to the lawfulness of decisions, and financial robustness of the Authority's budget.

The Monitoring Officer is appointed under section 5 of the Local Government and Housing Act 1989.

The Treasurer to the Authority (Treasurer) who is the Chief Finance Officer, is appointed under section 112 of the Local Government Finance Act 1988.

The make-up of the Fire Authority

Cambridgeshire and Peterborough Fire Authority has seventeen elected Members, all of whom are serving Councillors. There are thirteen Members appointed by Cambridgeshire County Council and four Members from Peterborough City Council, reflecting the proportion of tax payers in each of the two council areas.

The political make-up of the Fire Authority reflects the number of Members from the political parties on each of the appointing county and unitary authorities. A Chair and Vice-Chair are elected annually.
