

Health Committee

Minutes-Action Log

Introduction:

This log captures the actions arising or outstanding from the previous Minute action log from the Health Committee from the meetings held on 9th July and 19th November and updates Members on progress in delivering the necessary actions.

Item	Action to be taken by	Action	Comments	Status & Estimated Completion Date
Meeting of 9 th July 2020				
1) Minute 316 Agenda Plan - Updates on Re-opening Minor Injuries Unit (MIU) at Doddington	Kate Parker / Jan Thomas	The Chairman indicated that as this was an area of particular interest to the Committee it would be looking for updates to future meetings.	<p>Discussion with CCG is ongoing as to the appropriate timing to bring updates back to Health Committee.</p> <p>The current position is that the Doddington MIU will continue to remain closed with a phased re-opening with a further update to be provided once the date of re-opening has been confirmed.</p>	Ongoing
Meeting of 19 th November 2020				
3. Minute 352 Addenbrooke's Cambridge Children's Hospital Project and Engagement Update	Kate Parker	The Committee agreed to receive further updates with the Chairman, Vice Chairman and Lead Members to discuss a timetable for follow up	Awaiting updated timetable and will be taken to March Chair, Vice Chair and Lead Members meeting.	Ongoing

		reports at their next meeting. Item to be added to said agenda.		
4. Minute 353 - Public Health response to Covid-19	Liz Robin Kate Parker	In a question raised on what the Council was doing to maintain Staff morale and further to the request from the same member requesting a report back to the Committee or whichever was the relevant Committee, this request would be added as a discussion item at the next Chairman, Vice Chairman and Lead Members meeting.	Although not within the remit of the Health Committee, officers are investigating the most appropriate route for a report.	Ongoing
Meeting of 11th February 2021				
5. Minute 360 - Healthy Child Programme	Raj Lakshman	Check with providers whether Liquidlogic has been a barrier for SEND referrals.	All HCP staff are undertaking the Liquid Logic training. The process does take longer than the previous referral pathways and there are a large volume of EHAs to complete but the team strive to complete them in a timely manner. Conversations are ongoing between the HCP with the Early Help leads to resolve the issues.	Complete
Minute 361 - Public health response to COVID-19	Liz Robin	Inform CCG of a case where a local resident was refused vaccination at their nearest vaccination centre.
