  - 2) To report two suggestions from the outgoing Children and Young People Overview and Scrutiny Committee:**
    - The Committee has been asked to set the raising of educational attainment as one of its highest priorities. The Overview and Scrutiny Committee's member-led review report on narrowing the attainment gap at primary school age has been e-mailed to Committee members.**
    - The Overview and Scrutiny Committee also suggested that the new Committee may wish to request further reports on the Together for Families (Troubled Families) project.**
  - 3) To consider a request from the Audit and Accounts Committee.**

**The Audit and Accounts Committee at its meeting on 28<sup>th</sup> January 2014 recommended that each new service committee should be asked to consider whether they would wish to undertake a review of two previously completed projects within their terms of reference remit, to confirm that they were satisfied that value for money had been achieved.**

- 4) To discuss the working arrangements of the Committee going forward.**

*Recommendation:* **Members are invited to review the agenda plan and to notify officers of any additional items they would like the Committee to consider. The timing of and approach to these items will need to take into account the resources available to support the Committee.**
