APPENDIX 3 - 2018/19 CAMBRIDGESHIRE INDICATIVE FUNDING FORMULA ANALYSIS

MINIMUM FUNDING GUARANTEE

	2017/18	2018/19 (indicative)	Reduction
Number of Schools receiving MFG protection	57	39	(18)

Those with high levels of MFG protection have had high protection historically. For example the highest MFG in this indicative model is £118k, the same school last year had MFG protection of £167k in 2017-18.

The school with £51k MFG protection in the indicative model had £0 (zero) MFG protection in 2017-18 and is receiving significant protection because they only have Key Stage 4 pupils which have a significant reduction in AWPU rate.

SPARSITY

	2017/18	2018/19 (indicative)	Reduction
Number of Schools in receipt of sparsity funding	0	19	19
Range of sparsity funding for eligible schools	Lowest	467	
	Highest	16K	

SCHOOLS GAINING FUNDING

Total number gaining funding in 2018/19 190
