## 1. PURPOSE

- 1.1 To present financial and performance information to assess progress in delivering the Council's Business Plan.

## 2. OVERVIEW

- 2.1 The following table provides a snapshot of the Authority's forecast performance at year end by value, RAG (Red, Amber, Green) status and direction of travel (DoT).

Area	Measure	Forecast Year End Position (Feb)	Forecast Year End Position (Mar)	Current Status	DoT (up is improving)
Revenue Budget	Variance (£m)	-£6.3m	-£6.5m	Green	↑
Basket Key Performance Indicators	Number at target (%)	39% (7 of 18)	56% (10 of 18) <sup>1</sup>	Amber	↑
Capital Programme	Variance (£m)	-£57.7m	-£59.6m	Amber	↓
Balance Sheet Health	Net borrowing activity (£m)	£382m	£348m	Green	↑

<sup>1</sup> The number of performance indicators on target reflects the current position.

- 2.2 The key issues included in the summary analysis are:

- The overall revenue budget position is showing a forecast year end underspend of £6.5m (-1.8%), which is an increase of £0.1m since last month. See section 3 for details.
- Key Performance Indicators; the corporate performance indicator set has been refreshed for 2015/16. There are 20 indicators in the Council's new basket, with data currently being available for 18 of these. Of these 18 indicators, 10 are on target. See section 5 for details.
- The Capital Programme is showing a forecast year end underspend of £59.6m (-29.0%), which is an increase of £1.8m since last month. The majority of the increase is due to further slippage within ETE's capital programme. See section 6 for details.
- Balance Sheet Health; The original forecast net borrowing position for 31<sup>st</sup> March 2016, as set out in the Treasury Management Strategy Statement (TMSS) is £453m. This projection has now fallen to £348m, down by £34m from last month. This is largely as a result of changes in the assumptions around the net expenditure profile of the capital

programme and changes in expected cash flows since the Business Plan was produced in February 2015. See section 8 for details.

**Note:** The 'Exceptional Items' category could include, for example, post Business Plan (BP) amendments.

6.2 A more detailed analysis of current year key exceptions this month by programme for individual schemes of £0.5m or greater are identified below.

6.2.1 **Economy, Transport and Environment:** £38.3m (-43.9%) underspend is forecast at year end.

	£m	%
<ul style="list-style-type: none"> <li>• <b>Delivering the Transport Strategy Aims</b> – the forecast underspend has increased by £0.7m this month. This is mainly due to:               <ul style="list-style-type: none"> <li>○ Tenison Road, Cambridge - Traffic Calming – a delay has occurred with this scheme due to the unexpected presence of a shallow water main, which is now being replaced by Cambridge Water, delaying the start of works to 18<sup>th</sup> April 2016. This has resulted in an in-year underspend of £0.5m.</li> <li>○ B1040 Hollow Lane, Ramsey – initial delay was related to landowner issues. This was resolved but then there was a delay in planning permission so the scheme will finish in 2016/17. This has a resulted in an in-year underspend of £0.1m.</li> </ul> </li> <li>• <b>Operating the Network</b> – the forecast underspend has increased by £0.6m this month. This is due to underspends on a number of smaller schemes (up to 100) materialising at year end, where some schemes have been combined to reduce costs, and other schemes have cost less than originally expected.</li> </ul>	-2.7	(-66%)
	-1.3	(-8%)

The funding available as a result of these underspends will be reallocated within the ETE capital programme in 2015/16 to reduce the prudential borrowing requirement.

- For full and previously reported details go to the [ETE Finance & Performance Report](#).

6.2.2 **Children, Families and Adults:** £12.8m (-12.5%) underspend is forecast at year end.

	£m	%
<ul style="list-style-type: none"> <li>• <b>Secondary Schools - Demographic Pressures</b> – the forecast underspend has decreased by £1.0m this month. This is mainly due to:               <ul style="list-style-type: none"> <li>○ Hampton Garden Secondary (North Cambridgeshire Secondary Provision) – there has been £1.5m accelerated spend on this scheme in 2015/16. Agreement has been reached that CCC will pay Peterborough City Council a contribution towards the land on which the school is sited.</li> </ul> </li> </ul>	-1.0	(-12%)

This is partly offset by:

- Littleport Secondary & Special – there has been further slippage of £0.6m this month as the contractor is still carrying out ground works, infrastructure and site set up;

work has not commenced on the building. As such, spend is lower than originally forecast.

- For full and previously reported details go to the [CFA Finance & Performance Report](#).

6.2.3 **Corporate Services:** £0.3m (-65.0%) underspend is forecast at year end. There are no exceptions to report this month; for full and previously reported details go to the [CS & LGSS Finance & Performance Report](#).

6.2.4 **LGSS Managed:** £8.8m (-55.7%) underspend is forecast at year end.

- |  | £m   | %       |
|--|------|---------|
| • <b>Effective Property Asset Management (EPAM) - Renewable Energy Soham</b> – due to contractor delays this project will now commence in 2016/17 and therefore the scheme is reporting an underspend of £0.2m in 2015/16. | -0.2 | (-100%) |
| • For full and previously reported details go to the <a href="#">CS &amp; LGSS Finance &amp; Performance Report</a> .  |      |         |

6.2.5 **LGSS Operational:** £0.3m (158%) overspend is forecast at year end.

- |   | £m   | %      |
|---|------|--------|
| • <b>Next Generation ERP</b> – this in-year overspend is due to the rephasing of CCC's share of costs for the implementation of the Next Generation ERP amounting to £0.5m, and is partly offset by a predicted underspend of £0.2m on the R12 Convergence scheme. This will not affect the total scheme cost of the Next Generation ERP project. | +0.5 | (100%) |
| • For full and previously reported details go to the <a href="#">CS &amp; LGSS Finance &amp; Performance Report</a> .   |      |        |

6.3 A more detailed analysis of total scheme key exceptions this month by programme for individual schemes of £0.5m or greater are identified below:

6.3.1 **Economy, Transport and Environment:** a total scheme balanced budget is forecast. There are no exceptions to report this month; for full and previously reported details go to the [ETE Finance & Performance Report](#).

6.3.2 **Children, Families and Adults:** £4.8m (1%) total scheme overspend is forecast. There are no exceptions to report this month; for full and previously reported details go to the [CFA Finance & Performance Report](#).

## 6.5 Key funding changes (of greater than £0.5m):

Funding	Service	Amount (£m)	Reason for Change
Revised Phasing (Other Contributions)	CFA	-0.7	Isle of Ely Primary – capital contributions of £0.7m have been delayed. A tariff agreement was set up with the landowner to cover the infrastructure funded by CCC, which would have been the responsibility of the developers. This would usually be part of the S106 obligation, however, the school was needed before any development as CCC was part funding the school to cover existing basic need in Ely. The landowner is therefore required to repay the tariff when parcels of the land are sold for development, which is taking longer than expected, although negotiations are ongoing. Additional (repayable) Prudential Borrowing will be required in 2015/16 to bridge this funding gap (see below note).
Revised Phasing (Prudential Borrowing)	CFA	0.7	<b>GPC is asked to approve the increase of £0.7m to the Prudential Borrowing requirement in 2015/16</b> - to bridge the funding gap caused by the delayed capital contribution in relation to the Isle of Ely Primary scheme (see above note).

## 7. GRANT ALLOCATIONS 2015/16

- 7.1 Where there has been a material change in 2015/16's grant allocations to that budgeted in the Business Plan (BP) i.e. +/- £160k, this will require SMT discussion in order to gain a clear and preferred view of how this additional/shortfall in funding should be treated. The agreed approach for each grant will then be presented to the General Purposes Committee (GPC) for approval.

### Education Services Grant

The ESG is an unringfenced grant, which is allocated to local authorities and academies on a per-pupil basis that takes account of school type (mainstream/high needs) and

status (academy/maintained). Funding will therefore reduce for local authorities if a school convert to academies.

Based on the expected number of academy conversions during 2015/16 a figure of £4,735,117 was budgeted for the ESG during the Business Planning (BP) process. However, due to slower academy conversions than originally expected during 2015/16, the total ESG received is £5,102,997, resulting in an additional £367,880. This position is an increase of £102,997 from the forecast reported in May 2015.

**It is proposed that the additional funding of £367,880 is treated as a general resource and taken to the General Fund, which the General Purposes Committee is asked to approve.** This is shown in the “Financing Items” section of this report.

- 7.2 The below grant is deemed to be a non-material change and is for information purposes only:

Business Rates Reconciliation Grant 2015/16

Government has committed to reimburse authorities for any loss of income incurred under the business rates retention scheme, which is as a result of tax changes announced at fiscal events. The amount payable is based on actual costs as captured at year end via local authority business rates outturn returns.

In 2015/16 CCC has received an additional £7,690 of grant funding that was not budgeted for. This funding will be treated as a general resource and is therefore shown in the “Financing Items” section of this report.

**8. BALANCE SHEET**

- 8.1 A more detailed analysis of balance sheet health issues is included below:

Measure	Year End Target	Actual as at the end of March
Level of debt outstanding (owed to the council) – 4-6 months, £m	£0.4m	£0.7m
Level of debt outstanding (owed to the council) – >6 months, £m	£1.0m	£2.0m
Invoices paid by due date (or sooner)	97.5%	99.8%

- 8.2 The graph below shows net borrowing (borrowing less investments) on a month by month basis and compares the position with the previous financial year. The levels of investments at the end of March were £10.0m and gross borrowing was £358.1m, giving a net borrowing position of £348.1m.

8.3 Further detail around the Treasury Management activities can be found in the latest [Treasury Management Report](#).
