

Appendix A: Health and Wellbeing Board themed meeting template

	Meeting theme: Priority 1 – Ensure a positive start to life for children, young people and their families	
	Focus areas: <ul style="list-style-type: none"> • <i>Strengthen our multi-agency approach to identifying children who are in poverty, who have physical or learning disabilities or mental health needs, or whose parents are experiencing physical or mental health problems.</i> • <i>Develop integrated services across education, health, social care and the voluntary sector which focus on the needs of the child in the community, including the growing numbers of children with the most complex needs, and where appropriate ensure an effective transition to adult services.</i> • <i>Support positive and resilient parenting, particularly for families in challenging situations, to develop emotional and social skills for children.</i> • <i>Create and strengthen positive opportunities for young people to contribute to the community and raise their self esteem, and enable them to shape the programmes and services with which they engage.</i> • <i>Recognise the impact of education on health and wellbeing and work to narrow local gaps in educational attainment</i> 	
1.	Overarching partnership delivering against this priority and how this links to the Health and Wellbeing Board	The Cambridgeshire Children’s Trust reports to the HWB Board against this priority
