1.	Dr Alexandra Bulat	Councillor Simon Bywater, Chairman of Children and Young People Committee	I would like to ask a question about the future of The Fields Children's Centre in Cambridge, Abbey ward. This centre is at the heart of the Abbey community and essential for many families. The recent restructuring and changes have had an impact on parents and children. There are many concerns amongst residents about the future of The Fields. I would like to ask what steps is the Council taking to ensure the services provided by The Fields can be maintained in the long term without negatively impacting families in Abbey.
