The service level budgetary control report for Corporate Services, LGSS Managed and Financing Costs for July 2019 can be found in <u>CS appendix 1</u>.

The service level budgetary control report for LGSS Cambridge Office for June 2019 can be found in LGSS appendix 1. Pressures and deficits within LGSS Operational budgets are the responsibility of the Joint Committee. Formal risk sharing arrangements are in place such that changes in service or financing impacting one partner are isolated from impacting other partners. In practice, this means that where there is risk (or additional requirements for) in-year savings for back-office services shared with or facing

Northamptonshire County Council or Milton Keynes Council, these do not impact on the service received by Cambridgeshire County Council or impact any overspend to be handled by CCC.

Further analysis of the results can be found in CS appendix 2 and LGSS appendix 2

The appendices are published online only and not printed for Committee.
