

Article 8 - Committees

8.01 Introduction

The Council shall establish a number of committees in order to undertake its functions in a more efficient way. These are divided into four categories, Policy and Service Committees; Regulatory Committees; Joint Committees and other committees. In some cases, the law requires the Council to establish a committee and stipulates the way it shall operate. However, in most cases Full Council may decide on the size, terms of reference and membership of its committees.

In the absence of the relevant committee chair, the vice-chair will take the chair.

All councillors are encouraged to undertake regular training and for the regulatory and appeals committees there are specific training requirements.

Statutory scrutiny functions will be incorporated and carried out by the relevant policy and service committee as set out in their respective terms of reference.
